

Class R1 News!

Dear Parents/Carers,

Our names are Miss Fieldin, and we are your child's class teacher. The teaching assistant in R1 is Mrs Drummond. The children have made a fantastic start to Reception and are settling in well! They are becoming more familiar with the routines and making friends. We are thoroughly looking forward to helping your children grow and learn, whilst having lots of fun along the way!

Important Information

Reading Homework

Your child will bring their first reading book home today with more information on how to support them with reading at home.

Reading books will be changed every Wednesday. However, please send your child to school with it in their bookbag **each day**.

Talk Homework

Talk homework will come home every Friday to be returned the following Wednesday. More information will be provided shortly.

Please come and speak to us if you need any support with your child's homework.

Snack

The children are provided with milk and a snack each day, so there is no need to send additional snacks.

P.E.

PE will be taught on Wednesdays. As you can imagine PE days are great fun with so many children getting changed at the same time. It would really help us if children wear "easy" uniform on these days eg elasticated waist, limited buttons etc.

Please ensure all PE kit and uniform is clearly labelled with your child's name to avoid things getting mixed up or lost!

As we don't have much room, please could the children PE kit be kept in a drawstring bag.

Don't forget to check out the school website

If trousers/tights could be worn on Tuesday too – that would be great! Waterproofs/wellies can either be left in school or you can send them in each Tuesday. Please ensure all items of clothing are labeled with your child's name.

Reminders

Label. Label, label

Please make sure every item sent into school is clearly labelled.

Please send a named water bottle to school each day.

Hair

Please could children with long hair have it tied back to keep it off their faces and in an attempt to stop headlice from spreading.
