

Class R1 News!

Dear parents/carers,
Happy new year! The children have settled back into the school routine extremely well and have been enjoying learning in the cold weather! We will be having lots of fun with our learning. We will read lost and found by Oliver Jeffers, non-fiction books and poetry. We are really excited about all the things we are planning for this half term's topic, Polar Adventures.

What are we learning about?

This half term our learning will be focused around polar adventures. We will learn all about Antarctica and arctic regions. We will learn about explorers, animals habitats, maps of the world, different habitats

In maths, we will be continuing to develop their subitising and counting skills and explore the composition of numbers within and beyond 5. The children will then move onto the comparison of quantities.

Forest Fun.

The children will continue to go to the Forest even in the cold wintery weather. Therefore, please ensure the forest clothes you send for your children to wear are warm, and clearly labelled.

P.E.

The children do PE weekly on a Wednesday and we keep PE kits in school for the full half term. We will send the children's PE kits home at half term to be cleaned.

Please ensure all PE kit and uniform is clearly labelled with your child's name to avoid things getting mixed up or lost!

Reminders

Label. Label, label

Please make sure every item sent into school is clearly labelled. Previously labelled clothes may have either dropped off or worn off, so please check.

Water Bottle

Please ensure children only have water in their water bottle.

Hair

Please could children with long hair have it tied back to keep it off their faces and in an attempt to stop headlice from spreading.
