Headteacher's Message

I have to start this week's newsletter with a huge well done to our Year 6 children (and all the staff) for our End of Key Stage 2 results that were published this week. The children have worked so hard and our results are above the national average in all subjects. Well done to everyone!

All children will have brought home their school report this week. You will have noticed we have changed the format, with the aim to provide parents with more information, so we hope you have found this useful. I would again encourage parents to read the covering letter to confirm what each number equates to, in relation to attainment and effort. We will always have high expectations of our children and will encourage them to be the best that they can be, which sometimes means the children pushing themselves out of their comfort zone. If you wish to discuss this further teachers' will be available to discuss this on Wednesday next week between 3.30pm – 5pm

Thank you for your continued support!

Miss Ramsbottom 😊

Pupil News

We really enjoyed welcoming parents into school on Thursday for our 'Meet the Teacher' sessions. We hope you found the sessions useful. If you were unable to attend, we will be sharing the PowerPoint with all parents before the end of term.

Thank you to the parents who kindly brought 'pet reptiles' into school this week to help Year 1 with their learning. It was lovely to see 'Tank the Tortoise' and 'Banana Man the Snake'. The children loved hearing all about what they eat and how they need to be cared for and they produced some amazing writing as a result!
