

## Headteacher's Message

We may only be at the end of the 4<sup>th</sup> week back but if your child is in Year 6 then you will already be thinking about your choice of High School for September 2026. Schools will be holding their open days over the next few weeks and I highly recommend that you try and attend as many as you can. You will then be able to get a feel for which school is right for your child. The closing date to apply is the 31<sup>st</sup> October 2025. It is so important that you apply by this date.

If you have a child who will be starting school next September the closing date is 15<sup>th</sup> January 2026. We have a number of Open Days planned, with the next one being Wednesday 15<sup>th</sup> October 2025, at 2pm. Please spread the word about our school.
