

Headteacher's Message

Early next week you will be able to book for the first parents' evening of the year. We have made the decision to hold it a little earlier this year to allow parents and teachers to get together as soon as possible. There is already lots of great work in books for you to look at. We hope to see everyone there to continue to build up that partnership between home and school. Booking will be available on Scopay from Monday 6th Oct at 5.30pm.

Mrs Addy spoke to the children about road safety in this week's assembly. There are a number of our Year 5 & 6 children, who have phones to walk to and from school on their own, who are playing games on them as they are walking. We have discussed the dangers of this as they aren't looking when crossing roads and would be grateful if parents could do the same.

Thank you for your continued support.

Miss Ramsbottom 😊

Pupil News

Thank you to everyone who has visited the book fair - every book sold at our Fair helps to earn **FREE BOOKS** for school so please visit on Monday and Tuesday at 3.30pm if you can!

Well done to 20 – our first class to fill their 'Good to be Green' jar by staying on green all week to earn their marbles! They are our first class who have worked together as a team to earn their golden time!

On Wednesday, some of our Year 3 and 4 children went to Towneley Park for an Outdoor Adventurous Bonanza! They completed some orienteering challenges and were so well behaved and represented our school brilliantly!

The Lancashire Healthy Young People and Family Service plan to offer us the following

'a one-hour drop-in sessions will be offered monthly and will be held within the school settings allowing parents to access our service. Further discussions will be held between the linked staff nurse and school to discuss a date and time for drop-in on a school needs basis.

Please see details below regarding what support the school nursing team can offer:

- Toileting and continence support
- Sleep support
- Low Level Emotional wellbeing support
- Behaviour
- Public Health Needs (diet, dental, puberty and hygiene etc)
- School readiness

Please note we cannot prescribe or diagnose any conditions.'

We propose to request this service in an afternoon and when we receive further information, we will be sure to let you know well in advance to help the drop-in be a success.
