

Headteacher's Message

What a colourful and cool Rockstar Day we had on Monday. Thank you to all the parents who helped the children to look amazing. During the assemblies on Monday, I spoke to the children about the importance of being confident with their times tables and how they support all their other maths learning. We discussed that tables are the foundations of a maths house and that without them all other maths learning will be harder. I was quite surprised and shocked as to how many children said they didn't access TTRS at home. I appreciate how busy children are but just 10 minutes, a few times a week would make such a difference. As it is through an electronic device, they could do it in the car on the way to football or swimming etc. If that isn't possible just asking them questions as you are getting ready for school or walking to school would also really help them.

Thank you to all the parents who attended the after school workshops. We hope you found them useful. Thank you also to Miss Gawthorpe who has organised everything this week.

Thank you for your continued support!

Miss Ramsbottom 😊

Pupil News

Well done to classes 6H, 6B and 5W who have all filled their 'Good to be Green' jars for the second time and have earned their golden time. Well done children, enjoy the activities you have chosen!

Quick reminder that as a healthy school, sweets and chocolate bars should not be brought for packed lunches. We are having a big focus next week on good table manners so reinforcing this at home would be greatly appreciated!
