

Headteacher's Message

Keeping our children safe is always a top priority for us and as next Tuesday is Safer Internet Day, we will be looking at Online Safety throughout the week. The specific focus will be around the use of AI, the many positives but also how they can keep themselves safe.

Children are often one step ahead of us when it comes to technology but we are always a long way ahead when it comes to the risk that the internet can present. Children often think they are invincible!

We fully appreciate how difficult it is for parents to say no when it feels like, or your child tells you, everyone else has access to everything they want. Checking all your children's devices on a daily basis is the easiest way to keep them safe.

Our school website has a number of easy read documents to help adults stay one step ahead on the children.

Pupil News

World Book Day – Thursday 5th March (NOT FRIDAY!) Come to school dressed as a character from a book! There will be prizes for the best 'homemade' costumes! As part of our day of celebrations, we are asking children (and staff) to bring a photo of themselves reading in the most extreme places...on top of a mountain, in a tree, in a bath of baked beans!!! The wilder and more extreme the better! Start bringing in your photos after half term so we can share them together on the day!

Well done to Class 5L for filling their 'good to be green' jar again! Enjoy your golden time activity together!
