Headteacher's Message

Thank you to all those parents who attended Parents' Evening before the holiday to meet with your child's class teacher. We really appreciate the support from parents and carers, especially when it comes to extra learning, homework and reading at home at least 3 times a week!

There are some power point presentations on our website that can help parents to understand how we teach 'reading' and 'maths' in school. These might help you to further support your child at home. Please click the links below to find out more! Thank you!

On Tuesday, 3B went on a trip to Burnley Library and Turf Moor as part of their History topic about Crime and Punishment. They found out more about Albert and John, who as young men, burgled Burnley Football Club in 1907. The children were brilliantly behaved and listened really carefully to the speakers who shared lots of information to help with their learning! Well done children and thank you to all the adults who made the visit such a success.

The Department of Culture Media Sport has recently launched a campaign called Let's Move, aimed at encouraging families with children to become more physically active together. The campaign focuses on breaking down barriers such as lack of time, confidence and sporting ability, encouraging families to start with just 10 minutes of activity a day.
